

Ring SIZE GUIDE

These sizing tools will provide a good estimation of your needed ring size. To confirm your exact size, we recommend you have your finger measured by a professional jeweler.

Ring Size Template:

Print out the Ring Size Guide. Place a ring that fits intended finger you are shopping for on each circle until you find one that matches. The black circle should trace the inside of your ring.

Ring Size-measuring Tool:

Print out the Ring Size guide and cut out the sizing tool. Slide the end tab "B" through slot "A" and wrap the sizer around the base of the finger. Make sure to allow size for the knuckle. The number aligned with slot "A" is your ring size.
