**Safety Recall Notification for Yardline Play Systems Wooden Roof
(Costco Items 1239187, 1320477, 1320482, 1320484, 1320486, 1398864, 1398865, 1398866,
1398867, 1466277)**

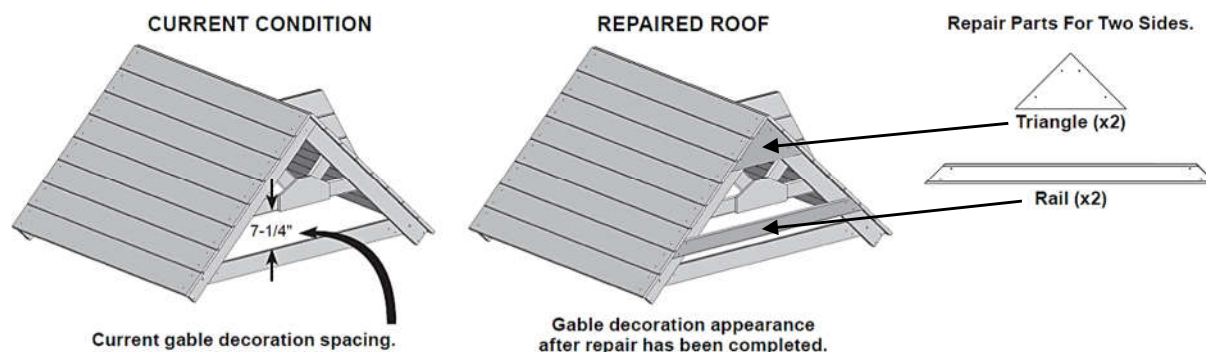

Dear Costco Member,

Costco records indicate that you, or one of your add-on members, have purchased the Yardline Play Systems Turbo Racer or Cloud Racer outdoor playset between March 2019 and May 2021. We have recently discovered that the wooden parts for the gable roof decoration may create a potential entrapment issue.

Your child's safety is our #1 priority. While no injuries have been reported to date, Yardline Play Systems is voluntarily recalling the playset due to this potential entrapment issue with the gable roof decoration. **Please discontinue use of the playset immediately.** We will be providing a free repair kit that when installed, will eliminate this entrapment issue. The kit will include the necessary wood components, hardware, and detailed instructions to perform this simple repair.

Please discontinue use of your playset until this repair has been made using the repair kit.

If your roof gable decoration matches the design shown below, **you must add the additional wood components to each side of the roof as per the repair kit.** The repair requires the installation of the four wooden components using wood screws (provided in the repair kit) as depicted in the images below:

In December, Yardline Play Systems will begin shipping the free repair kits to the shipping addresses on file for this item. If your address has changed, please provide an updated address at <https://www.backyardproducts.com/update-address>, email customerservice@yardline.net, or contact Yardline Play Systems Customer Service at (800) 844-9273. Our office hours are Monday – Friday 8:00am – 5:00pm Eastern and Saturdays during October 10:00am – 4:00pm Eastern.

If you have any questions or are unable to perform this repair, please also contact us immediately.

We apologize for any inconvenience this may cause.

Sincerely,

Yardline Play Systems
