

Costco Rx Locker Prescription Pickup

Quick and Convenient

How it Works:

1. Refill your prescriptions by Costco app, text or phone.
2. When your Prescriptions are filled, you'll get a Rx Ready Text.
3. Click on the link and select "Locker" as your pickup location.
4. When your prescriptions are loaded in the locker, we'll text you with a unique pickup code.
5. Come to the pharmacy at your convenience anytime the warehouse is open, enter your code and retrieve your prescriptions in seconds from our automated pickup lockers.
