Measuring for Your Delivery

HOW WE MEASURE YOUR FURNITURE

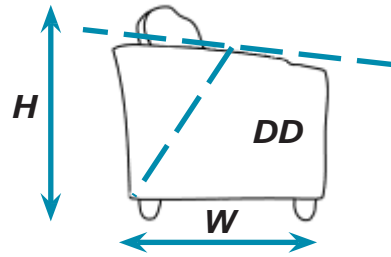

We measure your furniture by length, width and height as seen below to determine how much floor and wall space your new furniture will occupy.

MEASURING FOR YOUR DELIVERY

Measure the diagonal depth and width of the furniture as seen below to determine if it will fit through your home's entryways.

Sofa length **L** must be less than entryway dimension **1**, stairway dimensions **5, 4 & 3** and all interior doorway **7** or **8**.

Sofa diagonal depth **DD** must be less than the entryway dimension **2**, stairway dimensions **5, 4 & 3** and all interior doorways **7** or **8**.

PREPARING FOR YOUR DELIVERY

Before purchasing your new furniture, note all important measurements and obstructions so you can ensure a successful delivery.

Before our delivery team arrives, prepare your home by doing the following:

(Please be aware that our delivery team is unable to make these or other preparations for you.)

- Secure low-hanging light fixtures
- Remove pictures or art
- Set rugs in place
- Remove doors if necessary
- Put pets in another room
- Move other furniture

During delivery, please inspect your furniture thoroughly and report any damage to our delivery team so we can resolve the issue promptly. Please note: *we will not hoist furniture or remove windows.*
