Insurance Replacement Reports can only be completed after purchase. Ethical practices set forth by the Uniform Standards of Professional Appraisal Practice (USPAP) require that the client/owner of jewelry be specifically named on the report.

For further information or assistance in completing your Insurance Replacement Report request, please call us at 212-869-8985.

GCAL Grading Standards

This item of diamond jewelry was examined by GCAL's senior professional gemologists to ensure that it meets the most exacting standards and strict quality parameters. GCAL tested all aspects of this jewelry item, including: verification of the precious metal content by XRF technology, verification of the natural origin of all the diamonds, and thorough grading of the 4Cs. All diamonds have been evaluated in their mountings and only to the extent that the mounting permits examination.
