Dear Costco Member:

Costco Wholesale’s records indicate you purchased Kirkland Signature Hard-Boiled Eggs at your local Costco warehouse between October 11, 2019 and December 23, 2019.

Out of an abundance of caution Almark Foods is voluntarily recalling these Hard-Boiled Eggs due to potential contamination with Listeria monocytogenes.

Listeria monocytogenes may cause some short term symptoms like high fever, headaches, stiffness, nausea, abdominal pain and diarrhea in healthy individuals. More serious infections can occur in young children, pregnant women, frail or elderly people and others with weakened immune systems.

There have been no reported illnesses associated with the consumption of our Hard-Boiled Eggs, but if you have any remaining, please return to your local Costco for a full refund.

If you have any questions, please contact Almark Foods’ Consumer Help Line at (877) 546-0454 Monday to Friday 8:00am to 5:00pm (EST).

We apologize for any inconvenience this may have caused.

Sincerely,
Almark Foods
